

ABOUT ME

I am Farzana akter Mim, a dedicated and proficient full-stack web developer with more than a year of practical experience. My exploration in the web development realm has endowed me with a versatile skill set that spans from front-end technologies such as HTML, CSS, and Bootstrap to WordPress, Elementor, Elementor Addons, WooCommerce, ACF/CPT UI, Divi, and MYSQL. My expertise lies in transforming your concepts into visually striking and exceptionally functional websites.
